Re: Freedom of Information Law ("FOIL") Request # 8920

Dear Mr. Gajda:

On March 3, 2025, the Village of Mamaroneck received your request, dated March 3, 2025, in which you requested:

I am looking for records pertaining to the usage of restorative justice practices in an educational context, I already know that in a criminal matter context restorative justice programs is sometimes added to the defendants sentence, instead of going to jail. I am assuming it may reduce some disciplinary actions in academic related conflicts. I am looking to possibly obtain a copy of the villages investment philosophy, to see what type of investments the village of Mamaroneck invests their funds in, like the general and library funds for example. I am seeking more current information from 2020-2024.

The records sought cannot be found after a diligent search.

Thank you.

Very truly yours,

Sally J. Roberts
Acting Village Clerk
